PEOPLE BEFORE PARTY

"In 45 years of living at the property this is the first time we have had a visit from a Parliamentary candidate"

Chris from Pedwell

My name is Abi McGuire. I am running as an independent MP for the Wells and Mendip Hills constituency. I have visited over 20,000 homes already and what you have all told me is that over the years you do not feel represented.

I really do want to hear from you and want to give you the chance to ask me questions.

You are an important part of this movement, your voice and your vote matter more than anything else.
